

Safeguarding your child – INTERNET SAFETY

Dear Parents/Guardians,

Please find outlined on this flyer advice with regards to Internet Safety. We hope that you find this of use. Should you require further help or support with this matter or any other safeguarding issue, please don't hesitate to contact a member of High Street's Safeguarding team via the school office.

Online Gaming

Did you know what the following symbols mean?

No bad language. Suitable for all ages

Contains bad language

Contains some frightening scenes or sounds

Content which may discriminate

Mild bad language. A little bit of violence

This game shows drug use

Violence similar to real life.
Crime and extreme bad language

Game may scare children

Adults only.

This game involves violence

Can be played online

PEGI OK label indicates that the strict PEGI rating criteria have been applied and it has been ascertained that there is nothing in the game that would lead to a higher rating than the standard 3+ category.

Age rating for some games you may recognise...

Terms and conditions say users should be 13 or older when played online, but offline it's rated 7 by PEGI and played by lots of young children.

Apps

Do you know much about the apps your kids are using?

If not then visit <http://www.net-aware.org.uk/> to find out more.
