

PSHE- Belonging to a community

Year 4 – Autumn Term – Local - Pride

Key Enquiry Questions:

What does it mean to belong?

We belong to different groups in our communities. These groups are important as they help us to feel like we belong.

What makes up a community?

Many different groups make up different communities. People may have different roles to contribute to their community.

How can I show compassion?

Compassion is shown through the acceptance of different communities, groups of people, animals and living things.

Key Vocabulary:

community	A group of people living in the same place.
roles	Parts played by different people.
environment	The environment includes all living and non-living things.
digital resilience	Knowing the risks when you socialise or explore online.
wants	Something you want but can survive without.
needs	Something you need to survive.
