Thursday 25th April

Years 3-6 Film night – children only straight after school. Film to be advised once school council ask for votes from children

The PTA have this year welcomed several new members which has been fantastic but we would still love more to bring their ideas of what events to run and what to fundraise for.

It's a great way to meet new people and help school raise vital money for the 'extras' that really benefit our children.

We would like to thank all parents for supporting us by buying cakes, tickets, refreshments etc!

Your support is much appreciated and we look forward to seeing you at our next events.

If you would like any further information about joining the PTA please enquire at the office.

Do you or any member of your family work for a company that participates in the £4£ scheme, eg Barclays?

We are appealing for volunteers who can sign up with the scheme to help us boost our efforts, thereby benefitting the children in school.

Are any parents/grandparents Accountants? We need to audit our accounts. Can you help??

What do we fundraise for??

Last year we raised money to help make the library an extra special place for our children to be.

This year we are hoping to raise funds to be able to purchase a big sun shelter so that the children can find shade when we have the SUN out.
