

# Year 1 – Autumn Term 1: Our school

**Key Concept:** Interpreting sources of information, Geographical Fieldwork Skills. **PSHE Link:** Respect

## Key Vocabulary

Shops	A place that sells something to customers.
Fields	A large area covered by grass
Aerial map	A map that shows a place from above
Key	A part of a map that explains the symbols seen

## I already know....

I can already talk about the local area around me through stories, non-fiction and first hand experiences. I can draw simple information from a simple map and understand there are places that are special to our community. (EYFS Framework).

## I will know how to....

Use aerial photographs and maps to recognise local landmarks and basic human and physical features.

Use simple fieldwork and observational skills to study the geography of Winsford High Street, its grounds and the surrounding environment.

Devise a simple map and construct basic symbols in a key.

## Enquiry Questions

What does Winsford High Street look like from above?

Why do we use maps?
