

PSHE- Living in the wider world

Year 2 – Autumn Term – Local, National and International – Democracy

International

Pride

Key Enquiry Questions:

What does it mean to belong?

We belong to different groups in our communities. These groups are important as they help us to feel like we belong.

What is my role in the community?

Everyone has different roles within the community. It's important we all work together to help each other and the planet.

How can I keep myself and my belongings safe?

I can keep safe by following and understanding rules. We have different belongings (including money) and it's important we look after these.

Key Vocabulary:

community	A group of people living in the same place.
roles	Parts played by different people.
internet	A network that connects computers across the world.
money	You can earn and spend money using cash, coins and bank cards.
wants	Something you want but can survive without.
needs	Something you need to survive.

Prior Learning:

Year 1 – Living in the wider world -
