Positive Message of the Week

Hello Everyone, we are into the 4th week of the national lockdown and you are all doing very well.

This week we are going to be looking at being kind to one another, and when possible be there for our friends if they are not happy or feeling upset.

We know it is difficult being away from friends and family but we can stay in touch via social media.

In our presentation this week there will be a few activities to get involved with.

If you are worried about anything please remember to talk to someone you trust.
